### About This Game

In Armored Warfare, you become a mercenary commander expanding your private fleet of military vehicles, taking on deadly missions and dealing with opponents with a vast array of war machines at your disposal.

---

Play Armored Warfare for free now and charge into battle with 100+ vehicles spread over multiple classes! Raid over a dozen PvP maps for competitive play and take part in a wide range of cooperative missions, teaming up with your friends around the world. From scorching African deserts, through the mountains of China, to Russian tundra. Experience everything modern tank warfare has to offer!

**Exclusively in Armored Warfare:**

**Global Operations** - Feel the adrenaline rush as you participate in modern engagements in this revolutionary hybrid PvE/PvP mode. Capture special zones, order airstrikes, call in supplies, resist the enemy AI support, take cover, and, in the unlikely event of becoming overwhelmed, respawn during battle! All this and more on large scale maps littered with modern armored vehicles!

**Cooperative PvE Missions** - Team up with your friends or complete strangers seeking to rush into battle against overwhelming odds. Overcome a wide array of challenges in the form of superior enemy numbers, controlled by advanced AI! Opponents will become more menacing as you increase the difficulty level, but the improved rewards make the challenge worthwhile!

**Roll up your sleeves and experience modern warfare hands-on** – choose a modern military masterpiece with iconic names such as the Abrams, Armata, Centauro, Challenger, Leopard, and many more! Use cutting edge technology to slice enemies open and enjoy the exhilarating feeling of total battlefield control!

Master the steel monsters. Dominate battlefields. 21st century modern warfare is yours for the taking.

**Sound Card:** DirectX compatible sound card

English,French,German,Polish

---

Very good graphics and realistic 3Dish mission battles,great sound if you like the sound,needs more players and it would really take off and be a great multi-player. Try it a week or two or maybe a month to get to tier 5 vehicles and it gets a lot better. Takes patience and some training to learn techniques but it is fun.  
. great game. best graphics of all the other tank like games.
